Parking Reimbursements

Students are receiving prorated parking refunds

Refunds are being deposited into your Bursar’s account and then a check will be mailed to your home address (in Banner)

If you have a balance with the Bursar’s Office (e.g. tuition paid through department) then your refund may be applied to that balance, so call the Bursar’s Office

This is a manual process, please be patient as it will take time

- The refund, in some cases, has gone to offset the cost of tuition that was paid by a college or grant.
  - In other words, the students paid for parking but the refund might be going to the college or grant
  - If this is the case, the students should contact their department ASAP and the Bursar's Office and have their LIN ready. Someone will look at their account and if they fall into this category, the Bursar's Office will mail a check the home address that is in Banner.

- Please make sure your address is correct in Banner in order to receive your check!

- Do students have to contact the Bursar’s office first, or is this automatic?
  - Students should get their check in the mail automatically
  - Only need to reach out Bursar if there is an outstanding balance

Other quick updates:
- Jimmy attended Council for Equitable Community meeting and communicated grad student issues to advisors in the DI&E Stem
- NAGPS Conference has officially been cancelled

Question: What is the issue with grades being changed from credit/no credit?
- Grad students grade continue as normal
- They cannot access C/NC option, but they CAN take an incomplete or Satisfactory Progress
- Altogether, the options are to offer grads 1) option to get a grade as usual, 2) take an incomplete if necessary and finish within one calendar year, or 3) choose the grade SP for satisfactory progress if a student cannot finish the class and doesn't see the possibility of finishing later--they would still get credit.
- More information on that can be found HERE

- Tuesdays @ 10 will now have Guest Stars to come and talk about updates.
• Guests may include:
  ○ Samba Dieng from OIA!
  ○ Ali Erk from CCPD!
