

Emergency Loan Information for Graduate Students

Lehigh University's Graduate Life Office located at the Graduate Student Center (Packer House), 217 W. Packer Avenue, have emergency loans up to \$500 interest free for up to 6 months.

If you are in need of an emergency loan, please see the following:

- You are a current graduate student at Lehigh University.
- You cannot have any outstanding debt (over due) to the university.
- Emergency loans must be paid back within 6 months. If the loan is not paid back by the time you specified, your account will be blocked from registering for classes.
 - So give yourself a little cushion of time, if you think you can pay it back in 3 months, make it 4 months, to be safe.
- If you have read the above criteria and believe you are eligible for the loan, please call 610-758-4722 to make an appointment with Kathleen Hutnik to fill out the paperwork.
